

***Health Officials Confirm
There Are Now 29 Cases That Tested Positive in
County 2 Deaths Are Included***

MOHAVE COUNTY, AZ (April 10, 2020) – The Mohave County Department of Public Health (MCDPH)-Nursing staff was notified today of a positive COVID-19 case in the Bullhead City service area. The individual is in the 65+ age range, and is isolated and recovering at home. This case is epidemiologically-linked to a previous case. County nurses are currently in the process of the contact investigation.

This new case brings to 29 the total positives cases in the county. There are now 14 positive confirmed cases in the Lake Havasu City area, including the two deaths, eleven in Kingman, and four in Bullhead City.

The best ways to prevent the spread of COVID-19:

- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when you are sick, or if you are a not an essential employee.
- Cover your cough or sneeze with a tissue, then immediately throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.

COVID-19 spreads through the air when an infected person coughs or sneezes. Symptoms are thought to appear within two to 14 days after exposure and consist of fever, cough, runny nose, and difficulty breathing. For people with mild illness, individuals are asked to stay home, drink plenty of fluids, and get rest. For people with more severe symptoms, such as shortness of breath, individuals are advised to seek healthcare, using telemedicine where available.

Mohave County activated its Health Department Operations Center on February 1, 2020, after the first case of travel-associated COVID-19 was confirmed in Arizona. The Health Department operations Center remains open to coordinate the County's response to the COVID-19 outbreak.
